I should have thought of that myself and should have consulted with you and included it in my motion. My apologies. And, of course, we do not object. Thank you!

Hi Lily - it looks like the court did not extend the response deadline in today's order, so right now, per the current orders, both motions and responses are due on 9/3/24. I would like to file a motion to request that response deadline be extended commensurately but with some additional time, as a commensurate extension would put us at 10/7/24 and I have MSJ and Daubert responses due in another case on 10/9/24. Therefore, we would like to seek an extension to 10/18/24 for all responses. Do you have any objection? Thanks.

Thank you, Liz. Also, I don't mean to give the impression that I am still sick. I can say I am fully recovered as of this week. Here is to hoping it stays that way.

Dear Megan and Liz:

Do you have any objections to 4 more weeks to file the MSJ (to file it along with the Daubert Motion)? It has just been a crazy couple of weeks with work and sickness.

Thank you,

Lily
